Notes:

- i) Planning Fees are HST Exempt, except for Peer Review Fees, which are subject to HST.
- ii) Separate technical fees for review of studies or other site-specific reports or documents may also be required.
- iii) Additional Municipal fees may apply, which may be collected by the County of Bruce on behalf of the Municipality (a separate cheque addressed to the local Municipality will be required). Please consult with your Municipality for further information.
- iv) Cheques are payable to 'County of Bruce' (unless otherwise indicated).
- v) Within the Municipality of Northern Bruce Peninsula, Natural Hazards review is addressed through the peer review process.

- vi) On January 1st of each year, the fees listed in Schedule “C” (Planning & Economic Development) of this by-law shall automatically increase on a percentage basis rounded up or down to the nearest ten-dollar increment, in a fashion consistent with the Statistics Canada Consumer Price Index for Ontario for the previous calendar year (October to October), if the consumer price index shows an increase.
- vii) Fees charged by the Grey Sauble Conservation Authority, Saugeen Valley Conservation Authority and Maitland Valley Conservation Authority shall be applied and collected in addition to the fees listed in Schedule C (Planning and Development) of this by-law.
- viii) Natural Heritage Review deposits are collected to address costs charged by 3rd party reviewers and assume moderate to good quality initial submissions. Review rates are \$140-\$175 per hour depending on the reviewer. Deposits are subject to a 15% non-refundable administrative charge. Positive balances greater than \$100 will be returned at the conclusion of the application. Applicants will be responsible for costs that exceed the deposit.
- ix) Applications withdrawn prior to being deemed complete are eligible for refund, subject to a \$750 fee. Applications withdrawn after being deemed complete are not eligible for refund.
- x) Appeal fee does not include legal fees.

Definitions:

County Official Plan Amendment (COPA) associated with a Standard Pit or Quarry:

A pit or quarry operation that is 80 hectares or less in size, is above the water table and is outside a settlement area.

County Official Plan Amendment (COPA) associated with a Complex Pit or Quarry:

A pit or quarry operation that is over 80 hectares in size, is below the water table or is within a settlement area.

Scoped Environmental Impact Study (EIS):

Environmental Study completed to support a single dwelling, additions on an existing structure(s), accessory buildings, lot severances (majority should qualify), re-developments or small-scale development / subdivisions proposing <10 homes / units, site alteration within an existing disturbed area where there is separation from natural heritage features of potential concern. Most agricultural uses, where an EIS requirement is not waived (or exempted), will likely fall under this category.

Moderate/Large Scale Environmental Impact Study (EIS):

Subdivisions / developments of >10 units, commercial and industrial uses, new large-scale farm related operations may fall under this category. The Scope of the EIS will be determined through the review of the Terms of Reference.
