

COUNTY OF BRUCE

NOTICE OF IMPENDING LANE CLOSURES

JOHN BLACK BRIDGE REPAIRS

This notice is being issued to advise residents and local business owners of impending lane restrictions on Bruce Road 10 to facilitate repairs to the John Black Bridge which spans the North Saugeen River in the community of Scone.

It is anticipated that the lane restrictions will begin in late June and extend for a period of approximately 3 1/2 months, concluding in early October. One lane will remain open for vehicle access at all times. The access to McTavish Park, which is located immediately west of the bridge, will be closed for the duration of the project.

Access to WheelFast, which is also located at the west end of the bridge, is to be maintained through cooperation between the contractor and the owner.

For further information on this project, please contact the project engineers:

B.M. Ross and Associates Ltd., 62 North Street, Goderich, Ontario, N7A 2T4. Telephone: 1-(888) 524-2641. Attention: Ryan Munn, P. Eng., Project Manager (e-mail: rmunn@bmross.net).
