Walkerton, Ontario: The Warden of Bruce County is pleased to announce the appointment of Mr. Miguel Pelletier to the position of Director of Transportation and Environmental Services.

Miguel is a Professional Engineer (Geotechnical) from the Royal Military College of Canada in Kingston and holds a Master of Business Administration (MBA) accreditation. Miguel's work career includes serving as Director of Public Works in a municipal setting. Additionally, Miguel had a lengthy and successful career with the Government of Canada servicing the Department of Parks Canada, the Department of Public Works Government Services and the Department of National Defence with the Canadian Forces.

Warden Paul Eagleson stated, "the recruitment process was exhaustive and I am very pleased to have Miguel join our Senior Management Team. He brings to the role extensive experience in all elements of public works infrastructure." Kelley Coulter, CAO, added, "Miguel has a collaborative leadership style with a deep desire to contribute value to the community that he serves. His broad professional experience and education will build upon the successes of the Department of Transportation and Environmental Services."

Miguel stated, "I will miss the strong Public Works team and community at Chatham-Kent. I am looking forward to a new role with new opportunities with Bruce County and to explore the Bruce in my spare time."

Mr. Pelletier joins Bruce County on Monday, May 28th.
