

## COUNTY OF BRUCE - PUBLIC NOTICE RECONSTRUCTION OF BRUCE ROAD 10

The Transportation & Environmental Services Department is completing reconstruction work on Bruce Road 10 from the south limits of Hepworth to approximately 250m south of Bruce Road 8 as outlined in the feature map. The reconstruction work will take place from early September to early October and will include road improvement, storm sewer replacement, curb work and re-surfacing.

There will be daily road closures during this timeframe, with a posted detour. The Department apologizes for any inconvenience this closer may cause.

For further information, please contact the Transportation & Environmental Services Department.
